A pleasant day to you!

Please be informed that our GLOBE, SMART and SUN text blast was deactivated on August 16, 2017 by our service provider due to system upgrade and government compliance certification. Registered users will not be able to receive text advisories from JCA temporarily.

The School is now working out on the migration to a new service provider to serve you better. For the time being, all communications will be posted in JCA Website, Facebook Page, and JCAPA Viber Group.

Thank you for bearing with us.
