SUBJECT : UNIVERSITY ENTRANCE EXAM REVIEW AND MOCK TEST

---

Greetings!

In our commitment to usher our students' success in their university placement to the top 4 universities in the country, we will conduct five (5) review sessions from August 18-25, 2017 and a mock test on Tuesday, August 29, 2017 in English, Filipino, Math and Science subjects.

Please take note of the specifics of the review sessions and mock test below.

#### 1. Review Sessions

Sessions are designed to review students on identified challenging lessons that may be part of the university entrance tests and to build on their test-taking skills.

#### 2. Mock Test

To simulate the actual entrance exam scenario, the students will observe the following to build their test taking endurance.

- 2.1 come in civilian attire
- 2.2 bring light snacks and drinks that may be taken during the exam.
- 2.3 no air-conditioning units during exam.

We seek earnestly your encouragement and prayers for your children in this endeavor and throughout the university placement process.

Thank you.
