Abundant blessings be upon you and your families!

We would like to inform you that we are making adjustments in our Academic Calendar starting September 01, 2015. It is deemed best to revise it because of the following reasons---

1. to make up for lessons missed due to a number of class suspensions; and
2. to focus on learning competencies that need to be strengthened as identified by different standardized tests administered last school year.

The major changes include a quarter examination for two half-days only with two to three tests administered for each day and Year-end Recognition ceremonies in early part of May 2016.

Below is the schedule for the First Quarter Examination of Grade 7 to 10

Wednesday, September 16, 2015
7:00AM - 12:05 PM - Regular Classes
12:05 PM - Early Dismissal

Thursday, September 17, 2015

10:00 AM - Dismissal

Friday, September 18, 2015
