SUBJECT : UPDATE ON JULY 2016 MAKE-UP CLASSES

Abundant blessings to you!

We are confident that your children have been learning much from their Xiamen experience academically, socially, and spiritually. We shall continue to include them in our prayers.

We reiterate the following information.

1. Classes start from 8:00 am to 3:00 pm with recess and lunch break from July 11 to 15, 2016.
2. The subjects covered are English, Filipino, Math, Science, Araling Panlipunan, and Christian Education.
3. All requirements of all the subject areas have to be completed satisfactorily on the last day of make-up week and if completed unsatisfactorily, they are given five more class days to complete.
4. If completed satisfactorily, students will receive their report cards three class days after the last day of make-up; otherwise, no report card until requirements are completed satisfactorily, all recognition (e.g., honors, awards) withdrawn, and no enrolment for SY 2016-2017 a week after.

God bless all your children as they finish their term and come back home safely.
