Greetings in the Name of our Lord Jesus Christ!

The Preschool Department (PS) would like to invite you to our *Parent Observation Day* on Friday, September 13, 2019.

The Parent Observation Day is a time we have designated to welcome parents and guardians to visit the different PS classes for a firsthand experience of our teaching-learning process including our *Lightbulb Program*. This activity allows the parents and guardians to become acclimated for this school year, learn more about the curriculum, and discover ways to support their children.
