---

Greetings!

Jubilee Evangelical Church (JEC) Family Care Ministry continues to tackle #WHATEVER Philippians 4:8-10 Discover Real Treasures series with the Jubilee Community. Pastor Larry San Pedro shared the word of God on having the right mindset while the children learned from the life of Daniel. New friends were made during the parents' small groups and children enjoyed being with their classmates.

The Discover Real Treasures #WHATEVER series on November 23 will look at WHATEVER IS PURE.

We had invited Ms. Michelle Agustin to share to the parents. Children would bond together with some games and activities.

The activity is FREE of charge, with simple food and drinks included, this event is open to children from Preschool to Grade 6 and their family members.

As a bonus, JCA will give Extra Mile Program incentive point for the Second Quarter. Students should submit the completed activity sheet to their respective advisers as proof.
