COMMUNITY CARE ACTIVITY

Grace and Peace to you from our Lord Jesus Christ!

We thank the Lord for keeping us safe in our own homes these past days. However, thousands of our fellowmen in some areas over Eastern Visayas and Northeastern Mindanao and nearby provinces were flooded last Sunday, November 1, 2020 as strong winds and rains from the Typhoon Rolly's wrath poured across the country according to the Philippine Atmospheric, Geophysical and Astronomical Services Administration (Pagasa). (*-Inquiry.net, Tuesday, Nov. 3, 2020*)

National Disaster Risk Reduction and Management council's spokesperson, Mark Timbal, told CNN Philippines that 1,468,296 persons or 372,716 families in Regions II, III, Calabarzon, Mimaropa, and V were affected by the typhoon. Of this number, he said that 416,195 people are currently inside evacuation centers. (*- CNN News, November 2, 2020*)

In our School's continual effort to show love and compassion to our Filipino brethren who are in dire need, we would like to solicit your help through cash and in-kind donations (e.g., quality rice, canned goods (canned tuna or corned beef), tarpaulin and wash items like bath soap, tooth brush, toothpaste, sanitary napkin, plastic pail with cover, plastic dipper, laundry soap, shampoo, wet wipes and towels).
