SUBJECT : **FACEBOOK USE FOR BUSINESS EXPO 2020**

Greetings in name of our Lord and Saviour Jesus Christ!

The Grade 11 Entrepreneurship with Biblical Perspective will hold the Business Expo 2020 with the theme, "Business in the Now Normal". The Business Expo is a culminating activity that aims to provide students with opportunities to actualise their learned business skills through a business feasibility plan. Each group of Grade 11 students will host their business ideas through a **private facebook (fb) page**. The Grade 12 students shall act as their "customers" who will be invited to join the private fb. The private fb page and its content will only be made available for the duration of the activity which will run from December 7 - 18, 2020.

Should you prefer not to allow your student to be part of facebook private page, kindly email the shs@jca.edu.ph on or before December 4, 2020. Grade 11 students who will not be part of the private facebook page, will be provided with a non-social media platform such as Google Site, where they will host their business idea and pseudo customer engagement.

Please be guided accordingly. Thank you for your continued support.
