From : MS. RIZZA C. COLOBONG
Administrator

SUBJECT : SAFETY MEASURES and GUIDELINES SURROUNDING the
HOLIDAY SEASON

As many of us begin to plan for the holiday celebrations, please be reminded of the government's recommended measures to minimize Covid-19 infection.

1. **Traveling out-of-town.** Traveling may increase the chance of getting infected by COVID-19. If traveling is inevitable, check the latest guidelines of the related local government unit prior to traveling. Staying at home lessens the chances of infection.
2. **Hosting a gathering.** Limit the gathering to immediate household members or people from the same local area. Host outdoor activities rather than indoor. If hosting an indoor event, increase ventilation by opening windows and doors as well as turning fans on.
3. **Attending holiday gathering.** Check with the activity organizer if the latest measures to prevent the spread of the virus are implemented.

May all of us take time this holiday season to celebrate the true meaning of Christmas by glorifying Jesus Christ who was born in humble circumstances and who gave His all for the good of all.
