SUBJECT : **SHS MODULAR PROGRAM, S.Y. 2020-2021**

Greetings in the name of our Lord Jesus Christ!

In line with Jubilee Christian Academy's (JCA) aim to expose Senior High School (SHS) students to enriching learning experiences, kindly be informed of the modular program that Grade 11 and 12 ABM students may attend. Students who will join will get grade point incentive, after submission of an output, as an Extra Mile activity in the related subject. Invitation to join is on voluntary basis and parents are responsible for providing all necessary logistics for participation. No JCA personnel will be assigned to monitor the students during the event.

1. Subjects for Extra Mile task:

1.1 Grade 11 : Organisation and Management

1.2 Grade 12 : Applied Economics

2. Details of Event: Young Entrepreneurs Convention (YEC) 2021: Ground Breakers

It is organised by the University of the Philippines - Diliman's Circle of Entrepreneurs (UPCE). A duly recognised university-wide student organisation based in Cesar E.A. Virata School of Business.

The annual Young Entrepreneurs' Convention is a workshop series and business ideation competition wherein students gather to learn innovative ideas from esteemed industry leaders and participate in generating business solutions for partner organization. With this year's theme of "Groundbreakers", YEC 2021 is focused on empowering students to change the game by delving into analyzing current business models and trends, identifying points for improvement, and creating holistically innovative designs for products, services, and logistics.
