Parent / Guardian whose child is *currently* enrolled in JHS this school year 2020-2021 is not required to attend the orientation, though they are welcome.

The following topics will be discussed in the session:

It is important for the incoming Grade 7 parents to attend the orientation so we can all help our children transition to a new learning department and environment. We look forward to seeing you in this occasion.

Thank you for your usual support and cooperation.
