DATE : MARCH 17, 2021
TO : PARENTS / GUARDIANS OF GRADES 7 TO 10
FROM :  FRANCES REA R. GAZA
Principal, Junior High School (JHS) Department
SUBJECT : UNDERSTANDING COVID-19 VACCINES WITH DR. ANNA LISA ONG-LIM

Greetings in the name of our Lord and Savior Jesus Christ!

As we enter another phase in the fight against COVID-19 through vaccination, it would be vital to learn from health experts what vaccines offer to allow us to make the right choice. In line with this, the Junior High School and Senior High School Departments will hold a talk entitled "*Understanding COVID-19 Vaccines with Dr. Anna Lisa Ong-Lim*" on Monday, March 22, 2021 from 3:00 - 4:30 PM via Zoom.

Our invited speaker, Dr. Anna Lisa Ong-Lim, will help us gain a better understanding of COVID-19 vaccines. Dr. Ong-Lim is a Professor of the University of the Philippines (UP), College of Medicine and Chief of the Division of Infectious and Tropical Disease in Pediatrics of the Philippine General Hospital (PGH). As a member of the Department of Health (DOH) Technical Advisory Group, she has given talks on Covid-19 and vaccination.

JHS students are required to attend the talk. Students will get an incentive in the following subjects:

1. Grade 7: An additional three (3) points in one subcomponent of the QUIZ component under the *Science* subject in the Fourth Quarter after submission of an output to be given by the Science Teacher.
2. Grades 8 to 10: An additional three (3) points in one subcomponent of the QUIZ component under the *Social Studies* subject in the Fourth Quarter after submission of an output to be given by the Social Studies Teacher.

All Student Activities sessions (i.e., varsity training) are cancelled on said date to allow all students to attend the talk.

JCA parents are welcome to attend and watch with their children. Zoom link details shall be sent to the students through the Class Advisers.

We look forward to your usual cooperation and support. Thank you
