Saved to serve with love and excellence for the Great Commission.

DATE : March 17, 2021

TO : PARENTS / GUARDIANS OF GRADES 11 AND 12

FROM : MRS. NANCY R. RAMOS
Principal, Senior High School (SHS) Department

SUBJECT : **Understanding COVID-19 Vaccines with Dr. Anna Lisa Ong-Lim**

Greetings in the name of our Lord and Savior Jesus Christ!

As we enter another phase in the fight against COVID-19 through vaccination, it would be vital to learn from health experts what vaccines offer to allow us to make the right choice. In line with this, the Junior High School and Senior High School departments will hold a talk entitled, "*Understanding COVID-19 Vaccines with Dr. Anna Lisa Ong-Lim*" on March 22, 2021 from 3:00 PM - 4:30 PM via Zoom.

Our invited speaker, Dr. Anna Lisa Ong-Lim will help us gain a better understanding of COVID-19 vaccines. Dr. Ong-Lim is a Professor of the University of the Philippines (UP), College of Medicine and Chief of the Division of Infectious and Tropical Disease in Pediatrics of the Philippine General Hospital (PGH). As a member of the Department of Health (DOH) Technical Advisory Group, she has given talks on Covid-19 and vaccination.

SHS students are required to attend the talk. Students will get an additional three (3) points in one subcomponent of the QUIZ component under the Earth and Life Science for Grade 11-Matthew, Biology 2 for 11-Peter and Paul and Capstone Project for Grade 12 in the 4th Quarter after submission of an output to be given by the Science Teacher. All Student Activities sessions (e.g., Varsity Training and Subject Training) are cancelled on said date.

JCA parents are welcome to attend. Zoom link details shall be sent to the students through the class advisers.

We look forward to your usual cooperation and support. Thank you
