SUBJECT : GRADE 12 SEND-OFF ACTIVITY

Greetings!

The Guidance Area would like to celebrate your children's completion of their Senior High School (SHS) education by hosting a virtual send-off party for them. It will be held on May 14, 2021, Friday from 12:50 – 1:40 PM using the Google Meet link provided in their CE Google Classroom.

Grade 12 students are advised to prepare food and drinks for their snacks fellowship time. During the celebration, there will be fun, fellowship, prayer and encouragement for the students to continue to do their best for God as they move on to University life. The Guidance and other subject teachers will be in the said virtual event to ensure that your children will have a meaningful send-off party.

Should a student plan to be absent from this activity, he/she needs to write an excuse letter addressed to the SHS principal for her approval.

Please be guided accordingly.

Thank you and God bless!
